PM SVANidhi Yojana 2026

PM SVANidhi Yojana (Pradhan Mantri Street Vendor's AtmaNirbhar Nidhi) is a flagship scheme launched by the Government of India in June 2020. Its main aim is to provide financial support to street vendors affected by economic challenges.

Under this scheme, vendors can avail a collateral-free loan of up to ₹10,000 in the first phase. On timely repayment, they become eligible for higher loans of ₹20,000 and ₹50,000. The scheme also offers a 7% interest subsidy and cashback benefits on digital transactions.

This initiative helps small vendors restart and expand their businesses, promoting financial independence and inclusion.
